TECHNICAL SKILLS

Programming: Java, JavaScript, TypeScript, SQL, Dart, Kotlin, Fortran

Backend: Spring Boot, Spring Security, JPA/Hibernate, REST API, Maven, Gradle

Frontend: Angular, HTML5, CSS3, Bootstrap

Mobile: Android, Flutter

Database: MySQL, Oracle

Tools: Git, GitHub, Postman, IntelliJ IDEA, Android Studio, VS Code, Eclipse, NetBeans

Concepts: JWT, OOP, MVC, UML

AI-Assisted Dev: Claude, Cursor Agent, Codex, Gemini, local AI agents, prompt templates, code generation, refactoring, debugging, documentation

LANGUAGES

Bangla
— Native

English
— Professional Proficiency

PROFESSIONAL SUMMARY

Entry-level Full Stack Developer with training in Web and Mobile Application Development and hands-on experience building full-stack applications using Java, Spring Boot, Angular, Android, and Flutter. Experienced in developing backend APIs, authentication workflows, frontend interfaces, and database-driven applications. Built complete end-to-end software solutions independently with a focus on scalable architecture, maintainable code, and user-focused design. Aiming to contribute to innovative software projects while leveraging AI-assisted development practices and continuously growing technical skills across backend, frontend, and mobile platforms.

PROFESSIONAL TRAINING

Diploma in Web & Mobile App Development

Duration: 10 months

IsDB-BISEW IT Scholarship Programme (Round 68)

Key focus: Spring Boot, Android & Flutter

Modules: Web Publishing & Bootstrap, MySQL/Oracle Database, Java OOP, UML, XML, OO Systems Analysis, Servlet, JSP, JSF, Hibernate, Angular, Spring Boot, Android, and Flutter.

PROJECTS

Nirapod — National VAT & Tax Management System

github.com/abdulmmh/nirapod

Tech Stack: Java • Spring Boot • Spring Security • Angular • Android • MySQL • REST API • JWT • JPA/Hibernate • Maven

Designed and developed a multi-module enterprise-style VAT and tax administration platform with integrated web and Android applications, covering taxpayer registration, TIN/VAT management, tax returns, payments, refunds, audit, certificates, fiscal year administration, reports, and role-based user management.

Architecture & Contributions:

- **System Architecture:** Designed and developed the entire system independently, applying maintainable and scalable full-stack engineering practices.
- **Backend Development:** Built backend services using Spring Boot layered architecture and designed JPA/Hibernate persistence workflows.
- **API & Security:** Developed secure REST APIs with Spring Security and JWT token-based authentication and authorization.
- **Web Frontend:** Built a modular Angular web application utilizing reusable components for clean state management.
- **Mobile & Integration:** Developed an Android application with seamless integration and end-to-end workflow support.

CERTIFICATIONS

IsDB-BISEW IT Scholarship
Professional Training (Running)

Excel Essentials for Workplace
Productivity
Passport to Earning / UNICEF
Issued: Jun 2026

Professional Office with Excel
UY LAB
Issued: Sep 2024

SOFT SKILLS

- Analytical Thinking
- Problem Solving
- Debugging & Troubleshooting
- Team Collaboration
- Fast Learning
- Technical Communication
- Time Management

HOBBIES

- Traveling
- Sports

abdulmmh.github.io — Personal Portfolio Website [GitHub](#) | [Live Demo](#)

Tech Stack: HTML • CSS • JavaScript

Designed and developed a responsive personal portfolio website showcasing software development projects, skills, education, and professional contact details.

Key Contributions:

- Developed responsive frontend interfaces with custom layouts
- Implemented page structure and navigation flow for high readability
- Practiced clean, semantic HTML and CSS organization principles
- Published and maintained deployment using GitHub Pages

website-for-bangladesh-cricket — Web Development [GitHub](#) | [Live Demo](#)

Tech Stack: HTML • CSS • JavaScript

First complete web development project created to practice frontend engineering concepts, featuring a dedicated team website displaying statistics, schedules, and player profiles.

Key Contributions:

- Created structured layout for player lists and schedule details
- Implemented responsive styles to optimize mobile and desktop viewing
- Practiced deployment workflow by hosting site on GitHub Pages
- Published and maintained repository updates using Git

EDUCATION

Bachelor of Science (BSc) — Mathematics 2018 — 2023

Chattogram College | National University
CGPA: 3.02

Higher Secondary Certificate (HSC / ALIM) — Science Passing Year: 2017

Darul Ulum Kamil Madrasah
GPA: 4.44

Secondary School Certificate (SSC / DAKHIL) — Science Passing Year: 2015

Amjadia Rafiqul Ulum Fazil Madrasah
GPA: 5.00
